Hi Gil,

As the NPDES enforcement California Liaison, along with Greg Gholson for stormwater, I wanted to remind you of the upcoming due date for the SFY17-18 EOY Reports on Compliance Inspections (September 1). EPA management wants the next 106 Performance Report to include both SFY 16-17 and SFY 17-18 together. Since we already have the SFY 16-17 data they are pressing us to have the report done soon. We know the SFY just ended, so just a reminder to California of the upcoming due date for the EOY Report, although submitting it early would also be much appreciated!

Thanks and let me know if you have any questions,
Mike
